Tulbagia natalensis	Monterey Bay Nursery	Watsonville
Ursinia sericea	Annie's Annuals	Richmond, CA
Verticordia plumosa "Pink Lace"	Rosendale Nursery (retail)	Watsonville, CA

Most of these plants were very graciously donated to us by the participating nurseries. See our website, www.calhortsociety.org or call (415) 566-5222 for all the details.

Many of the donating nurseries are wholesale only. The best way to obtain specimens of the treasures you found at the show is to bring this list to your local nursery or garden center and ask them to order your plants from the donating nurseries listed above. Be sure to let them know you saw their plants at the Hot Plant Picks booth at the SF Flower and Garden Show!

Our meetings are held the third Monday of every month (except December) in the County Fair Building at the San Francisco Botanic Gardens at Strybing at 7:15 PM. They consist of a wide variety of wonderful speakers, a Plant Forum where we discuss plants brought in by members (a plant show and tell, if you will) and a very lively Plant Raffle of plants brought in by members and donated by nurseries. It's a great way to learn new things about our favourite past-time, get some great plants and meet like-minded people all at the same time. Guests are always very welcome!

Photos of all these plants along with their information are available at: <http://www.calhortsociety.org>
